

Petroleum Engineering Accounts at the OSU Foundation

Funds established by individuals or companies for specific purposes (e.g., scholarships, chairs, specific student programs) are not included in the list below. The petroleum engineering program has fewer established accounts because the program is relatively new.

Fund #	Fund Name	Endowed
<p><i>Purpose: Unrestricted use at the discretion of the program director and school head. These funds provide the greatest flexibility as they can be used for any purpose. We need to establish a “Petroleum engineering endowment fund” as soon as possible. The fund below is currently the preferred account for general donations to the petroleum engineering program.</i></p>
