

CEAT sets new award record

The College of Engineering, Architecture and Technology at Oklahoma State University has set a new record. CEAT has recorded \$26,080,250 in awards in the first quarter of the 2023 fiscal year. The previous record for quarterly awards was almost \$15 million, set in the first quarter of the 2022 fiscal year.

“Our college’s faculty is growing,” said Jamie Westmoreland, the CEAT assistant director of sponsored programs.
